

To prevent disease— resist disease germs

SMALLPOX is prevented by vaccination—the injection of vaccine. DIPHTHERIA is prevented by the injection of anti-toxin. These enable the body to produce substances which prevent the growth of smallpox and diphtheria germs in the blood.

There are many other diseases, nearly, if not quite as dangerous, and far more common—typhoid fever, the grippe, bronchitis, pneumonia, catarrh, rheumatism, and a score of others—that can be prevented less painfully and more easily by making the body strong to resist germ infection.

Olive Oil Emulsion

(With Hypophosphites)

Is designed for the prevention as well as the relief of disease—by enabling the body to overcome the germs. It, at the same time, strengthens and tones the nerves, nourishes the blood, puts the entire system into a proper healthy condition to combat and successfully resist disease.

Every person not in perfect health has incipient germs of some distressing ailment in his or her system.

Cold weather, over-work, excesses of any kind, are liable to bring about just the conditions under which those latent disease germs will get the upper hand, and put you on your back "down sick."

You who are run-down, tired-out, nervous—You who, though not sick enough to give up, still don't feel good—

You who are apparently well, and want to stay well—Take home a bottle of Rexall Olive Oil Emulsion to-day, and use it as a means to get well and keep well.

Rexall Olive Oil Emulsion is a real nerve-food tonic.

In this it is different from most other so-called "tonics" which either have no food value and do nothing more than temporarily stimulate you, leaving you in a worse condition than before or, having food value, still

OBITUARY

Edward Gray was born in Euclid township, Cuyahoga county, Ohio, January 14th, 1833. Died at his late residence in Fulton county, Ohio, November 3rd, 1913, aged 80 years, 9 months and 19 days. He was married to Miss Ann Rita August 2nd, 1867. To this union were born five daughters and three sons. Three of the daughters preceded him to the home beyond.

He came to this county in the year 1856 and lived in the same place 56 years. When he settled here the country was a wilderness and hence he had to experience all the hardships of a pioneer's life. He cleared the forest and cleared up a good farm. He assisted in surveying and laying out the highways, building bridges and corduroy roads. He was an expert at scoring timber. In fencing, ditching, building and the various tasks he identified himself with the improvements and progress that has made this now beautiful and productive country. Mr. Gray attended the funeral of a brother, who died at Middleburg, Ohio, September 26th,

1913, aged 82 years, only about five weeks ago. Deceased had one brother living in Iowa in his 86th year, whom he visited last spring, as he correctly supposed, for the last time. Deceased was a soldier in the war of the rebellion, enlisting in Co. C, 100th Regt. O. V. I. and was a member of the G. A. R. at Wauseon, Ohio. Deceased was a man of many noble traits. A faithful husband, a kind father, a good neighbor, a patriotic and highly respected citizen. His death came as a great shock to his family and many friends. While engaged in making improvements in his cellar last Friday, he was standing on a barrel and under the impression there was a bench by the side of the barrel, he stepped backward, and there being no bench there, he lost his balance and fell with such force upon the cement floor as to sustain injuries from which he died Monday.

We are reminded of David's remark to Jonathan, "Surely there is but a step between me and death."

He leaves a wife, two daughters and three sons, eleven grand children, one brother and many friends to mourn his sudden death. The funeral services were held in the Taylor Methodist Episcopal church, Thursday afternoon, November 7th, the pastor, Rev. J. C. Crider, of Liberty Center, officiating. There was a very large attendance and a number of the G. A. R. from Wauseon and Liberty Center were present and conducted ritual services at the church. Interment was made in Zion cemetery.

CARD OF THANKS

We desire to sincerely express our thanks to the neighbors and friends who so kindly assisted during our recent bereavement, also do we wish to express our gratitude to the old soldiers for their expressions of sympathy and for the beautiful floral offerings and to the choir for their service of song.

A Night of Terror

Few nights are more terrible than that of a mother looking on her child choking and gasping for breath during an attack of croup, and nothing in the house to relieve it. Many mothers have passed nights of terror in this situation. A little forethought will enable you to avoid all this. Chamberlain's Cough Remedy is a certain cure for croup and has never been known to fail. Keep it at hand. For sale by all dealers.
